

FORMA

A HOMECOMING MASTERPIECE
DESIGNED BY FRANK GEHRY

Unrivaled, world-class condominiums in downtown Toronto. Frank Gehry has transformed the world of architecture. Now, the Maestro of Form is coming home. Forma's iridescent façade and twisting shape will reflect the colours of the sun and the form of the surrounding buildings to change Toronto's skyline. Located on King Street West, Forma will be an exceptional addition to the city at the nexus between the Entertainment and Financial District.
