LONDON

IS CALLING YOUR NAME

With its inviting tree-lined boulevards and expansive green parklands, London is proudly known as 'The Forest City.' Yet the city weaves all the latest urban amenities within its glorious green canopy with surprising ease and dexterity.

As a city with over 540,000 residents, London features a diverse population with a rich heritage in arts, cultural events and beautiful natural attractions. Many are drawn to London's irresistible charm on the strength of its high employment rate and healthy economy in the insurance, medical and information technology sectors, plus its international reputation and an elite centre of higher education supported by Western University and London Health Sciences Centres.

SPRING

INTO ACTION

Springbank LUX is ideally located in flourishing southwest London near the Westmount neighbourhood, an area brimming with character and opportunity. Amidst the luscious parklands and green-blanketed streetscapes is Westmount Mall, a major landmark currently being reimagined as an ultra-modern shopping destination, transit hub and epicentre for community wellbeing.

YOUR BUILDER

QUALITY. PASSION. CARE.

Connecting people, passion and purpose to place. This is our mission and our purpose as an organization. We enjoy the process of finding a great site, of creating a shared vision with communities and our project partners, and then delivering high-quality homes that provide livability, connection and value to owners and residents.

A new home is thoughtfully designed, perfectly positioned and family-friendly. It's an investment in your future, that pays lifestyle dividends today.

To realize this goal, we listen closely to our customers and connect with how they aspire to live. This provides the inspiration for new ideas, designs and amenities that can enhance the way we relate to our homes, each other, and the wider community.

This process of investigation, combined with sustainable building practices, community-focused design and discriminating site selection, forms the foundation of every landmark project we create for our owner-occupiers and investors.

The AvranceCorp team have been instrumental in building residential lowrise, and condominium community developments across North America, including Georgian Bay, and Michigan.

AvranceCorp Developments has a strong focus on professional quality that has enabled us to develop strong relationships with our investors and purchasers. We look forward to connecting with you over your next home purchase.
